10th Annual Fall Luncheon

Embracing Change to Reach Your Full Potential

Keynote Speaker:

Gail McGovern

President and CEO of the
National American Red Cross

To succeed in today's fast-paced environment, everyone needs to be adept at managing change. Hear how Gail transitioned from one of Fortune magazine's 50 most powerful women in corporate America to a respected non-profit leader. You'll gain valuable insight on how to turn the change in your life into opportunity.

“Simply put, there’s a greater acceptance to change in the middle of a crisis... We need to leverage the economy and the force of gravity to be able to affect change.” - Gail McGovern

In today’s world, change is ever present. We have to analyze how we work and then streamline processes. We must examine how we live and make modifications for financial and environmental reasons. In fact, according to a recent *Wall Street Journal* article, the ability to embrace change will be the key factor for success in the future, allowing individuals with adaptive skills “to be trendsetters rather than simply react; to innovate beyond expectations; to develop global integration; and to practice social responsibility.”

In celebration of its 20th anniversary, the Women’s Fund will bring one of the country’s top non-profit leaders to Omaha. Gail Mc Govern will describe firsthand the challenges she successfully met in making the change from President of Fidelity Investments and a professor at the Harvard Business School to her current role as President of the National American Red Cross. Learn from this power player on the national and global scene how you can reach your next threshold as an enterprising leader. Please accept this as our personal invitation to you to attend.

The Women’s Fund was created to provide the women and girls of Omaha with a brighter future. To date, it has invested over \$2.5 million in grants and projects to fulfill that important mission. Your support of the 10th annual Fall Luncheon will allow the Women’s Fund to continue to do what it does best: lead the change necessary for Omaha to become a community where every woman and girl can reach her full potential. We look forward to seeing you on October 28th!

Sincerely,
Women’s Fund Fall Luncheon Honorary Co-Chairs
